About the Hospital

- Tea Tree Gully Veterinary Hospital is a long-established small animal only facility. We see cats, dogs, rabbits and occasional pocket pets but no birds or reptile work. We are a Veterinary Surgeons Board Accredited Hospital and an ASAV Hospital of Excellence
- We operate from a large brand-new Hospital that is second to none
- TTG Vet is a passion driven practice because our clients' pets deserve to be looked after in the best possible way and we are here to provide it. We also think people in the veterinary industry deserve to have the best possible workplaces as well
- Track record of helping our staff member achieve their goals
- All nurses upskill continually with support and are becoming accredited every year
- Employ trainees so that we are able to teach them skills to make them the best they can be
- How have we coped with Covid?
 - We have closed our books to new clients when volume was too much
 - Practice wide policy and procedures adapted that everyone is onboard and understands
 - Mental Health Resilience training
- We have a strong employer brand. Most of our employees are very long term and we focus on staff happiness. We are only recruiting as we need a bigger team.
- We are a big well managed team of nine Vets and thirty support staff
- We practice a wide range of veterinary services including;
 - Regular Orthopaedic surgery
 - A committed feline practice
 - Acupuncture services
 - Ultrasound and Endoscopy
 - Chemotherapy
- Your skills and experience will continue to progress if you choose to work with us
