

Qualified Veterinary Nurse who holds a Certificate IV Needed

Nurses who can

- Talk to clients and team members and always calmly communicate
- Triage patients
- Be comfortable with TPR, Blood pressure, ECG, Spo2 and ETCO2 monitoring
- Position animals for diagnostic x-rays
- Calculate drug doses and administer under veterinary supervision
- Attend to the needs of critical patients
- Emergency nursing skills, familiar with shock therapy, hit by car cases and snake bite treatments
- Show commitment to self-improvement through continuing education

This role is a dynamic and hands-on position, offering a range of responsibilities in both clinical and administrative settings. We are looking for someone who can manage a variety of tasks while maintaining a strong focus on patient care and client interaction. It is a Permanent Full-Time 38-hour role, 7-day week but no overnight work with remuneration based on skill. Rate range of \$30-\$33/hour depending on experience (with overtime paid at 150% for first 3 hours and then 200% thereafter) Saturday afternoon and Sunday rates will apply

Key Responsibilities:

- Reception & Customer Service: Answering calls, greeting clients, managing communications, and keeping a professional and welcoming atmosphere.
- Record Keeping & Billing: Ensuring all client records, medical histories, and billing information are accurate and up-to-date.
- Anaesthetic & Surgical Assistance: Supporting procedures, managing anaesthesia, and assisting in surgeries.
- Laboratory Work & Medical Nursing: Dealing with lab tests, processing results, or assisting in medical treatments.
- Nurse Consulting: Offering advice on health care topics like weight loss, Cartrophen injections, and wound care, as well as running puppy preschool sessions.
- Team Consulting with Veterinarians: Assisting with consultations, helping with exam prep, and ensuring smooth client interactions with the vets.

About Tea Tree Gully Veterinary Hospital

- We are a long-established, small animal-only practice, focusing on cats, dogs, rabbits, and occasional pocket pets. We do not provide services for birds or reptiles.
- Our hospital is Veterinary Surgeons Board Accredited and recognized as an ASAV Hospital of Excellence & have a ISFM Gold Cat Friendly status.
- Operating from a state-of-the-art facility, we offer unparalleled veterinary care.
- Our practice is driven by passion—we believe pets deserve the best care possible, and so do the people who work in the veterinary industry.
- We have a proven track record of helping staff members achieve their professional goals.
- All our nurses receive ongoing upskilling and support, with the majority becoming accredited every year.
- We employ trainees to nurture their skills and help them reach their full potential.
- We prioritise mental health and resilience, with a trained HR professional available 24/7 to offer support and guidance to our team.
- We are dedicated to helping our staff create a balanced life plan that supports both their career goals and personal well-being.
- We have a large, well-managed team, including nine veterinarians and 30 support staff, working cohesively to deliver exceptional care.
- We offer a wide range of veterinary services, including:
 - Orthopaedic Surgery
 - A dedicated feline practice
 - Acupuncture services
 - Ultrasound diagnostics
 - Chemotherapy treatments
- Joining us means continuous professional growth, with opportunities to enhance your skills and experience in a supportive and dynamic environment.

Please send a cover letter telling us about yourself and why you would like to join our team with a 2-page A4 resume attached, including two recent references, to Jodie Raethel at careers@ttgvvet.com.au
