

Rare Locum Opportunity at a Fantastic Practice!

Tea Tree Gully Veterinary Hospital is seeking a locum veterinarian to join our team from April 15th until May 31st. Due to injury and planned leave, we require an additional consulting vet to provide top-notch care for our beloved clients' pets.

About Us:

Tea Tree Gully Veterinary Hospital boasts a large, modern facility staffed with a highly experienced team. Each consulting shift comes with dedicated consulting nurses, ensuring seamless support throughout your workday. Explore our stunning hospital through our website to get a glimpse of what makes us www.ttgvet.com.au

Consultation Details:

Our consultations are structured for efficiency and quality care, with standard appointments lasting twenty minutes. New puppy consultations are allotted thirty minutes, while euthanasia appointments are given forty minutes for compassionate support.

Shift Information:

Enjoy straightforward consult-only shifts lasting 7.5 hours with a half-hour lunch break. Our charging bundles are designed for simplicity, complemented by clear protocols and pre-made estimates for most procedures.

Compensation and Requirements:

We offer competitive compensation of \$100 per hour plus super for an experienced locum veterinarian. To join us, you must be able to work cohesively within our large team, communicate effectively, and advocate for your patients. Handling unexpected emergencies and transitioning them smoothly to our medical team is essential.

You must be licensed to practice in South Australia and hold a valid radiation license. Professional Indemnity will be provided by the practice.
